

New Pearl Enclosures

Product News

Notifier by Honeywell is pleased to announce the launch of a number of new enclosures for the Pearl. These new enclosures extend the range of mounting options available and provide more options for housing of batteries to extend battery backup times.

The PRL-EXT-BOX-17 provides a convenient way to extend the capacity of existing surface mounted systems. For new installations, the PRL-BOX-17 and PRL-BOX-38 are back boxes offering additional space for extending battery capacity. Both the PRL-BOX-17 and PRL-BOX-38 can be surface mounted or flush mounted using the new PRL-BEZEL-17.

Please see the table below for full information of the new and existing enclosure systems and mounting options for the Pearl.

Prices for the new products can be found in the updated Notifier by Honeywell price list distributed recently.

If you have any questions, please contact your Notifier by Honeywell Business Manager.

Extension Boxes and Mounting Options

Part Number	Description	Battery Capacity	Flush Mounting accessory
 NEW PRL-EXT-BOX-17	Extension back box for existing surface mounted Pearl installations. Includes cover, panel dress plates and space for 17Ah batteries. Only one can be used with each panel and is not suitable for flush mounting. H:222mm W:436mm D:110mm.	up to 17Ah	NA
 NEW PRL-BOX-17	Extension back box for new Pearl installations, Surface or Flush mounting, includes cover and space for 17Ah batteries. For flush mounting use PRL-BEZEL-17. H:592mm W:447mm D:110mm.	up to 17Ah	 NEW PRL-BEZEL-17
 NEW PRL-BOX-38	Extension back box for new Pearl installations, Surface or Flush mounting, includes cover and space for 38Ah batteries. For flush mounting use PRL-BEZEL-17. H:592mm W:447mm D:203mm.	up to 38Ah	 NEW PRL-BEZEL-17
 PRL-BOX	Large box to receive a complete Pearl panel, allows 38Ah batteries to be fitted. H:727mm x W:447mm x D:203mm	up to 38Ah	 PRL-BEZEL-16U
 PRL-BEZEL	The PRL-BEZEL Flush Mount Dress Ring offers a practical way of flush mounting the Pearl panel. It is designed for use in combination with the rack mount kit and is also available as a stand alone part. H:437mm x W:518mm x D:47mm (internal aperture H:357mm x W:438mm)		
 NEW PRL-BEZEL-17	Flush mounting bezel for PRL-BOX-17 and PRL-BOX-38 H:674mm x W:529mm x D:47mm (internal aperture H:594mm x W:449mm)		

	Part Number	Description	Battery Capacity	Flush Mounting accessory
	PRL-BEZEL-16U	Semi-flush mounting bezel for the Pearl extension back box,PRL-BOX. H:808.5mm x W:529mm x D:47mm (internal aperture H:728.5mm x W:449mm)		
	PRL-RM19	19" Rack Mount Kit for Pearl panel. The PRL-RM19 rack mount kit enables the Pearl to be mounted in a 19 inch rack (recessed dimensions H: 336 x W:445)		
	PRL-FM	Flush Mount Dress Ring (inc 19" Rack kit)
